^{*} As of the May 2007 report, the decline category has been broken out into declined and declined/waivered, and the continue categor has been broken out into continued and continued/waivered. These categories are more definitive and will ensure that TDOC and BOPI reported statistics are more consistent. Data for this breakout is not available prior to FY 2005-2006

Parole statistics are incomplete because all data are not received by TDOC immediately after inmates are paroled.

Therefore, the numbers for any given month may be different from the previous month's report.
